18 December 1974

MEMORANDUM FOR: All NIOs

SUBJECT : KIQs

25X1 1. Attached is a spread sheet on KIQ commitments prepared by our eager-beaver friends on the IC Staff [redacted] It has been circulated to the other members of USIB and will be available when the USIB considers the KIQ Strategy Reports at 1000 on Thursday, 19 December.

25X1 2. At the pre-USIB the DCI decided that he would like all NIOs to attend the USIB session to be available for discussion of any specific Strategy Reports that any honorable members decide to address in some detail. I realize this is a curve ball but would you please try to re-arrange your schedules so that you yourself can attend if at all possible. If not, it is essential that your Assistant be present. Because of space limitations [redacted], there will only be room for an NIO or his/her Assistant but, (un)fortunately, not both.

3. The KIQ Strategies are the fourth item on the agenda so we will probably not get to them until around 1020-1030. I will have someone call Mary Ellen to pass the word when we are within a few moments of taking up the Strategy Reports.
